This pack provides you with information, ideas, prices and potential items to consider if you are looking to have a bespoke wedding or alternatively we have set options to save the hassle and stress.

With the nature of such a flexible approach obviously the prices are offered as guide prices and individual requests and specialist requests will be priced accordingly.

Book an appointment with our wedding co-ordinator to discuss your ideas and requirements and we will tailor the day and prices to deliver that day you dreamed of.

# YOUR BIG QUESTIONS

There are some questions to simply get out the way and save the awkwardness so we can move on to the finer details:

## **CAN WE GET MARRIED HERE TOO?**

Simply put – YES. You will organise the ceremony with South Staffordshire Registration Services and liaise with us as to the times etc.

## **WHAT CAN WE HAVE?**

Well, within reason we are open to almost anything that is practically possible, from gourmet 7 courses through to Jamaican BBQ's have all been catered for and as long as it is practical and can fulfil the standards you want we will listen and work it out with you.

## **HOW MUCH WILL IT COST?**

This is a little trickier. When looking for a bespoke menu and other items which deviate from our set packages the prices will be provided after an initial meeting with our wedding co-ordinator.

The initial room hire is your starting point dependant on the day and time of the year then the package or your bespoke prices are added to this. The prices are based on per person so that the final price will just reflect the final attendees.

## **WHAT DO WE GET INCLUDED?**

For all weddings which include the whole day hire we include:

## **OTHER QUESTIONS YOU MAY HAVE**

### **Can we use our own DJ?**

The answer is yes, we do have a contact number for a DJ that has used the venue that we would recommend and knows the venue however you do not have to use this company and as long as the DJ has all his equipment PAT tested and proof available on the day the call is yours!

### **What do we do about decorating the room?**

We always want to alleviate the stress from yourselves and we recommend that you meet with our team at least 2 weeks prior to the big day (where you can finalise your numbers etc., pay your final balance and relax? (Yeh Right).

At this meeting, bring along a set of table decorations etc. and run through a 'mock table' and other room decorations you have decided on. You can also run through your final seating plan etc.

We then will set up the room the night before (after service) all ready for THE BIG DAY.

We offer 2 hours' worth of preparation free of charge by our team which fundamentally will deal with basic table set up, centres, name place settings etc.

However extra set up for instance chair covers, making of decorations, buntings and external decorations will be eligible for additional set up charges dependent on the amount required. This will need to be discussed with our team and utilising our experience.

### **Can we have unique external companies for our day?**

Again within reason YES, if its food or beverage it is probably a no for various reasons with licensing etc.

Where the company provides something with an element of DANGER like bouncy castles etc. then it would need its own liability insurance as our insurance would not cover this, as you would be the hirer of these companies you would be liable and it would be your prerogative to ensure that these are in place.

Any stipulations that these companies place on you as the hirer cannot be absorbed by THE CROOKED HOUSE without prior written agreement.

### **Can we supply our own drinks?**

As an independent company that leases this venue from Marston's Brewery we are restricted in what we can allow. If it is available through Marston's we can provide prices upon request. If it is unavailable from Marston's it is still very much possible but will need to be agreed in advance and costs provided.

**SHOULD YOU HAVE ANY FURTHER QUESTIONS PLEASE BOOK AN APPOINTMENT WITH EITHER OUR WEDDING CO-ORDINATOR OR SENIOR TEAM MEMBER WHO CAN PROVIDE A TOUR, GO THROUGH IDEAS AND SUGGESTIONS AND THEN PROVIDE A QUOTE.**
