

CROOKED HOUSE STAFF

Here at The Crooked House all staff strive to improve and make sure that your visit here is a memorable one. We actively monitor our performance and with your opinions improve where possible - several staff have made significant improvements and won the coveted employee of the Month Award

July - Alex Mould - chef de Partie

August - Beth Allen - Team Member

September - James Garner - Team Leader
(see back page to hear more about 'Garner')

October - Kirsten Burke - team member

November ~ Lauren Fellow ~ Team member

December ~ Stephnie Guest ~ Team member

Both Alex and James had shown great improvements especially in there new roles and all the girls showed true girl power and achieved their 'Black Shirt' team member status.

All new staff will be dressed in white shirts so that you as customers can identify that they may need a little more patience (however I am sure you will understand we have all been there at some stage) and once staff complete an exam they receive team member status and the coveted 'Black Shirt'.

So a special well done to these staff members in particular but you have your say - the restaurant has comment cards and should you feel you have a comment on our staffing or any other observations please feel free to hand in a comment card.

The Crooked House NEW YEAR Newsletter

The New Year generally rings in some changes for everyone and here at The crooked House we are no different. Both our pub and restaurant will see some changes in both what we offer and how we operate.

Firstly the restaurant will be adding a set menu option for diners (which offers a discount for our diners), we are also introducing offers for our patrons on both Pie Night and Steak Night throughout January for those feeling the Pinch after the Christmas festivities
buy one get one half price!!!!

We are continuing with our loyalty scheme in the Restaurant and for all you 'Crooks' don't forget your discounts also carry over into our bar on drinks.

The restaurant is also introducing a 'Quick Fix' lunch Menu which will speed up our lunch offering for those of you on a quick lunch break who don't fancy a cardboard sandwich or a vended chocolate bar.

And as well as this offering we are offering 10% off any pre-ordered booking for lunch (orders placed 24 hours in advance) which will mean your lunch will be ready for you virtually upon arrival!!!!

As well as the Restaurant, the lounge menu is having a facelift for its quick bites option and drinks promotions and offers will continue throughout the year.

And also look out for quiz nights, live music and other activities and charitable events.

We look forward to
seeing you soon.

For those who havn't visited The Crooked House in the last 12 months we would like to say hello. This winter season signals 1 year of change here at The Crooked House which has seen dramatic changes to the way we operate and look. A huge amount of money and effort has been spent refurbishing the restaurant, new equipment, a new wonderful Al Fresco dining area, marquee for functions, the start of the allotment plot serving the restaurant with fresh produce, the adoption of Rocko, Eddy and there friends (see staff for details).

All of this is just some of the reasons to visit and there is much more to come.

Keep your eyes peeled and scour through this newsletter for more info.
